Terms and Conditions

Ordering

- All orders must be confirmed in writing and paid for on a pro-forma basis.
- Prices quoted are valid for 30 days and are subject to change without notice.
- All applicable taxes (including sales tax) are the responsibility of the purchaser.
- Custom orders will be quoted on a per project basis.
- Deposits are non-refundable and orders are final upon receipt of deposit by Cascade Luce. No cancellations. Once production has begun, client changes will be subject to additional charges.

Terms and Conditions

- Title of goods shall only pass when payment has been received in full.
- Due to the organic nature of the glass, slight variations may occur in color, hand finishes and dimensions.
- On items that are individually hand painted, color matching is available at a minimum 20% surcharge. Please contact the Cascade Luce Head Office for recommendations on finishes.
- All orders are produced individually. We reserve the right to improve upon any of our designs or finishes without prior notice.

Terms of Payment

- A fifty percent (50%) deposit is required to enter an order into production. The balance is due in full upon completion of the order prior to shipping.
- Storage charges will apply to orders not paid in full within 30 days of completion.

Shipping

- All actual shipping charges are to be incurred by the customer.
- All items are quoted F.O.B. Murano, Italy. Shipping, handling, storage and insurance are not included in price. Charges for packing and/or crating, insurance and delivery will be added to the final invoice and must be paid before items are shipped. All shipping fees are to be quoted at time of order.
- Cascade Luce is not responsible for any taxes, duties or customs brokerage fees associated with any purchase. These additional charges are the responsibility of the customer. Actual delivery guarantees are subject to possible detainment according to U.S. Customs and Duties protocol.
- Items shipped via truck freight are delivered to curbside or driveway only. If you require special assistance with a truck freight delivery, additional services like inside delivery and lift gate are available at an additional charge.
- Cascade Luce can offer "prepaid" freight terms and will prepay the shipper directly.
- Please specify if you would like to make your own shipping arrangements and we will provide the appropriate information when your order is complete.

Shipping Lead Times

- Cascade Luce strives to provide its customers with the most accurate information on lead times.
- The lead times quoted are estimates only. These times are estimated based on the assumption of the manufacturer's typical speed at which orders are processed and shipped.
- If your purchase or project is time sensitive, it is strongly suggested that you contact your representative or contact us at info@cascadeluce.com to inquire about expedited shipping services

Installations

- Products sold by Cascade Luce consist of parts and require assembly. Fixtures are not shipped fully assembled.
- Cascade Luce strongly suggests hiring a licensed electrical contractor for all lighting installations.
- Standard fixtures are specified with a standard 36" chain for installation and primary ceiling canopy. Please specify if an additional chain and secondary ceiling canopy will be required at an additional cost.
- Cascade Luce is not liable for injuries or damages due to the incorrect installation of its fixtures.

Returns / Damages Policy

- Please be advised that Cascade Luce is not responsible for any damages incurred in shipping.
- In order to offer a high level of Customer Service, Cascade Luce requires that any and all product damages or shortages be reported within ten days of receipt of shipment. All procedures must be followed to allow for repair and/or replacement. Claims filed after ten days will not be honored.

 Do not attempt to repair the merchandise.
- If goods are not to be unpacked within 10 days, please let us know.
- Upon release of your order, Cascade Luce will forward the shipping company's damage policy to the sales rep (if a showroom order) or to the designer (if a direct order). Once your order has left our atelier, it is the responsibility of the shipping company to ensure that products arrive safely and in a timely manner.
- Noting the condition of the delivery is the responsibility of the customer not the driver.
- Upon delivery of the merchandise, the receiver must unpack all materials, inspect thoroughly for damage, and note any
 damage on the freight bill before it is signed. If any damage is found, follow the shipping company's claim instructions.
 The freight company should send an inspector to the site to make a report. Keep all packaging materials until inspection
 is complete.
- If you receive an item that is damaged, do not discard any of the packaging in which it was received. Discarding the original packaging of a damaged item may prohibit the shipping company to diagnose and/ or compensate for the damages.
- If an item is damaged by the shipping company and will need to be reordered or repaired, the reorder will be subject to standard terms and lead times. All decisions regarding repair and/or replacement will be at the sole discretion of Cascade Luce.
- We cannot accept responsibility for any damages incurred once they go into storage.
- Cascade Luce will take no responsibility for damages incurred in transit when using your own shippers. A signature from your chosen courier on collection confirms that they are receiving your order in good condition, and that boxes have been labeled in accordance with their specifications. Your shippers should provide you with the necessary insurance policies to cover your order.

UL Listing

- Cascade Luce is a U.L. Certified manufacturer and follows all U.S. and Canadian guidelines. All lighting products are made using the finest materials and wiring and assembly processes are carried and monitored to the highest standards.
- Please consult all rules, regulations and codes regarding the electrical listing requirements for your intended application.
- Unless particularly delicate features of a product design are either obvious, or specifically drawn to the attention of the buyer or user, it is warranted that all such items are of contract quality and suitable for use in commercial interiors.

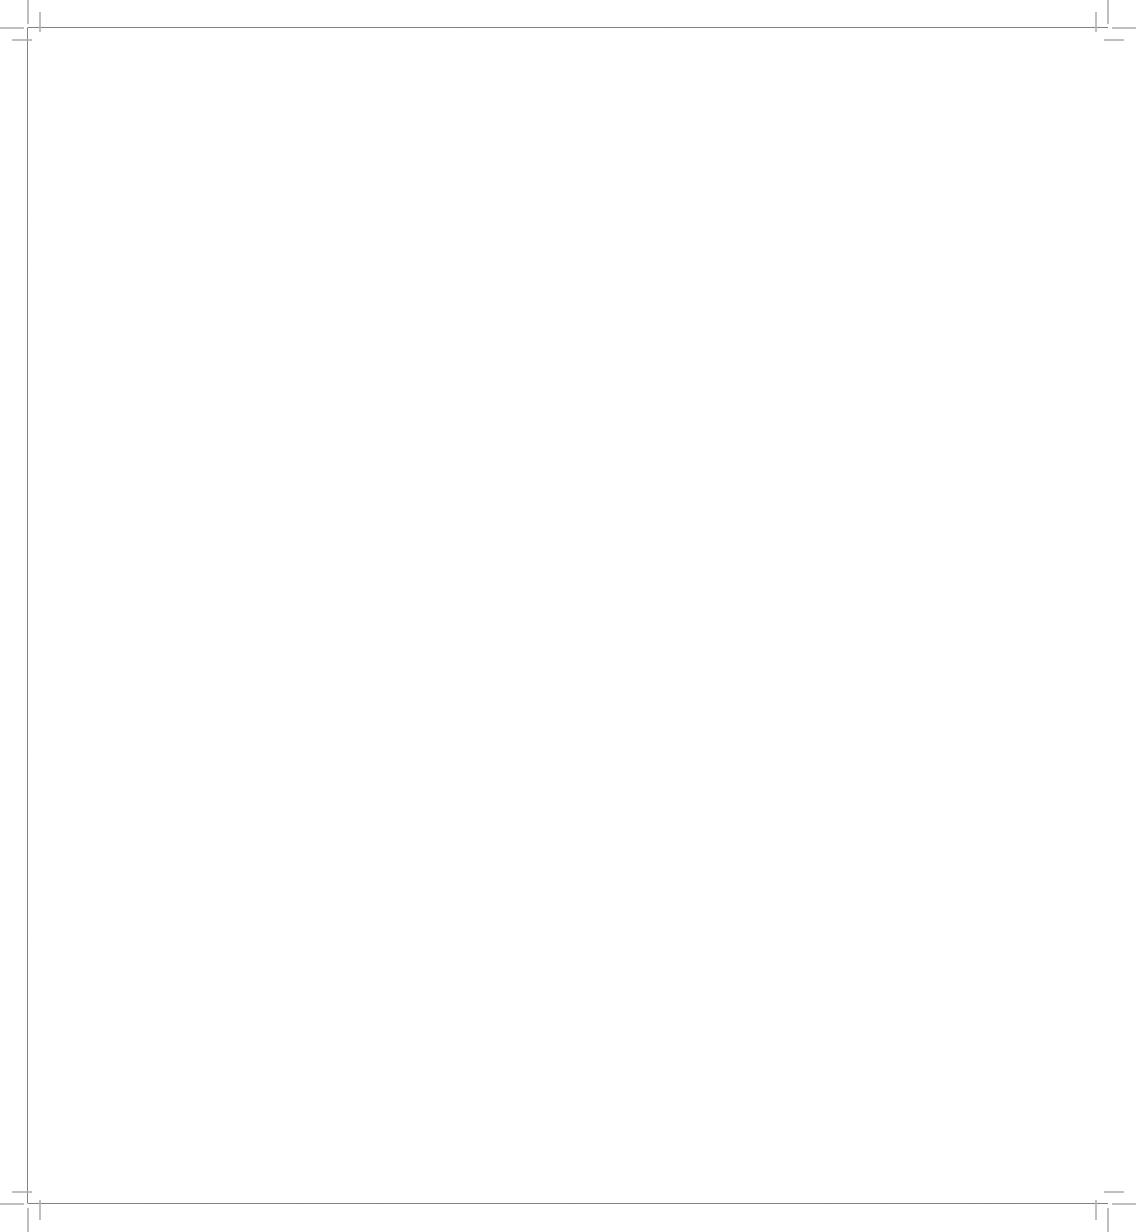

Warranties

- Every fixture sold by Cascade Luce comes with a manufacturer's one year warranty guaranteeing against mechanical and electrical defects for a period of one year from date of shipment. The protection of this warranty is contingent upon the proper installation of the item by a licensed professional.
- While Cascade Luce warranties its fixtures up to one year from any electrical defects, our product is not guaranteed for durability for outdoor use due to for extreme weather conditions (such as high salt content air, acid rain, etc.) that may affect the appearance or durability of a product finish.
- All finishes are guaranteed for a period of one year from the date of shipment providing the finish has been properly maintained. Cascade Luce's guarantee is limited to the cost of repair or replacement of the defective product, excluding, but not limited to electrician's fees, mileage, equipment rental, labor, packing and freight, etc.
- All claims must be authorized by Cascade Luce. Defective products will be repaired at our discretion, only after a claim and subsequent factory authorization.
- Use extreme care when cleaning near wire, sockets, or other electrical components to insure that they remain dry and free of moisture. Fixtures should be turned off or disconnected from the power supply when being cleaned to prevent electrical shock.
- Please contact the Cascade Luce Head office should there be any questions regarding the maintenance of the fixtures.

Replacement Parts/Components and Assemblies

- Fixtures should be inspected when cleaned or relamped and no less than once annually to insure proper function and structural integrity.
- Please contact Cascade Luce should replacement parts or spare parts be required.
- All guarantees and fixture warranties shall be null and void if fixtures are altered in any way or if the factory is not first notified before any work commences on the fixtures listed above.
- Should fixtures be removed and reinstalled, insure that all safety hardware/cables are reinstalled and secure, all fasteners are tightened, and that all electrical and mechanical components are in good working order prior to placing back in service.
